About This Game

Download the free demo at <http://baddreams.itch.io/onehandclapping>

One Hand Clapping is an incredibly unique 2D puzzle platformer that invites you to sing into a microphone to solve musical puzzles. Discover your voice as you explore a beautiful, musical landscape and change the world around you.

All you need is a microphone, headphones, and your voice to play!

- Stand your ground against the crowds of a hostile city.
- Wander through expansive, multicolored biomes and sing to change the world.
- Sing along with whimsical hermits throughout your musical journey.

Stay up to date with the development of One Hand Clapping!
